

## APRIL CALENDAR

Dear Hayes Families,

Spring has teased us a couple times this year and we are all excited for the growth that nature brings to us this time of year. At Hayes we are excited about the growth our students are showing every day in the classroom. Writing argumentative essays, solving algebraic expressions, working with fractions, studying ancient civilizations, and building cell models. As a staff we appreciate the hard work that you do to help support your children and the staff at Hayes Intermediate. With State Testing starting, April 9<sup>th</sup>, we are looking forward to our students showing off all their hard work and knowledge. As you help your student prepare each day encourage them to get a good night's sleep and eat breakfast in the morning. Other than that keep routines the same and encourage them that this is just another road marker showing their growth as a student.

PTA is looking for volunteers to serve next year as another group of fantastic parents graduate to Jackson and Pleasant View Middle School with their student(s). Our next meeting is Tuesday, May 1st, in the Hayes Library at 6:00. If you or other fourth grade parents would like to visit please join us.

Sincerely,

*Mr. Nester*

## ✓ Check it Out – Library News

The last day for students to check out books will be Wednesday, May 16. **All books that are checked out to students must be returned by May 21<sup>st</sup>.** Students may use the library for research through Friday, May 25<sup>th</sup>. If you would like information about your child's outstanding books, or costs of lost or damaged books, please call Mrs. Aliff at 801-6200.

Be sure to use and enjoy the Southwestern Public Library this summer. It is an awesome place to find those "just right" books on your summer reading list.

## Student Information Changes

It is very important for us to have up-to-date contact information for your child. Please be sure to keep your child's school records current, making us aware of changes in addresses, phone numbers, and emergency contact information.

One of the most overlooked issues every spring is making sure that the school is notified of changes in child-care arrangements for next school year. It is important to keep this information current in your child's records; and if child-care is no longer needed, to have this information removed from his/her records as soon as possible. Bus assignments for next school year are based on **current home addresses and child-care information**. Please inform us of any anticipated changes in your child-care arrangements for the coming year. Updating your child's information today could save everyone a lot of worry in the days before school starts!

## Cafeteria

If a student does not have money, he/she will receive an alternative lunch of either peanut butter and milk, or a cheese sandwich and milk. Students are permitted to come to the

cafeteria first thing in the morning to check their account balances. Parents, if you are using the online paypam system through food service, allow 2 days for the funds to post to your child's account. If you would like to check the balance in your child's lunch account, please call 801-6200 and ask to speak with our head cook, Meshell Papamihail.

## 6<sup>TH</sup> Grade Party

Hayes Intermediate PTA is sponsoring a year-end party for our sixth grade students. It will be from 4 to 6 p.m. on Thursday, May 24<sup>th</sup> at the school. There will be games, food, and drinks. Parent volunteers are needed to help during the party. Watch for more information to come home soon.

## Field Day is coming!

On Wednesday, May 30<sup>th</sup>, Hayes Intermediate is holding its annual field day! (rain date is Thursday, May 31<sup>st</sup>). There will be many fun activities to play throughout the day! Some activities include water, so dress appropriately (**no bathing suits please**). There will also be tug-of-war, (5<sup>th</sup> grade class vs. 5<sup>th</sup> grade class; 6<sup>th</sup> grade class vs. 6<sup>th</sup> grade class). It could be hot, it could be cold, we can't control the weather, so be prepared for anything! Remember to bring water, sunscreen, a packed lunch and your game face! Volunteer forms will be sent home later in May. See you there!

## Students of the Month

Student of the Month is awarded to students who have shown outstanding respect, responsibility, citizenship, effort or improvement in any areas. This award is attainable by any student in the school. Congratulations to our Students of the Month for April 2016.

## Important Year-End Information

**Lost and Found** – Please remind your child to check our lost and found before the end of the school year. Items remaining at school on June 10th will be removed.

**Final Report Cards** - Final report cards for this school year will be held in the office for each student who:

- Owes instructional fees.
- Owes money for replacement of damaged or lost library books, textbooks or book room books.

## Jackson Middle School Forum South-Western City School District

Parents and community members are invited to hear an overview of the plans for the design of four replacement middle schools and an addition to Jackson Middle School. We will be sharing information and looking for your input on the general look of the schools, instructional priorities, safety and security best practices, timelines, and "green" schools. Please join us to help shape the future of our middle schools!
