Dear parent:

As you may be aware, Hayes Intermediate School is involved in an international exchange program. This program is sponsored by an organization titled the International Alliance for Invitational Education (IAIE). Students and teachers from one of these schools, Taiost Ching Chung Primary School, will be visiting Hayes Intermediate from March 16-26, 2018.

Mr. Nesler and Mrs. Ewing, the coordinators of this program, are starting the recruiting process to find host families for the Hong Kong student travelers. Below are listed some of the requirements that are needed in order to be selected as a host family.

- Welcome the student and treat him/her as a member of your family for the duration of their stay.
- Provide the student with their own sleeping bed. Students may share sleeping quarters/room with another family member of the same gender, but may not share a bed with another family member.
- Transport the student to and from the airport; may carpool with other host families or district staff.
- Transport the student to district and school events and activities with your own child.
- Provide meals for the student when not at school or attending a district-sponsored meal event.

Please fill out the form on the back letting us know if this is a program that you may be interested in being a part of. Please have your child give this form to their teacher, who will pass it along to Mr. Nesler or Mrs. Ewing.

If you have any questions, feel free to send Mr. Nesler or Mrs. Ewing an email.

Mr. Nesler: michael.nesler@swcsd.us

Mrs. Ewing: melissa.ewing@swcsd.us

Please check one of the following:
