

A message from the Principal

Dear Hayes Families,

Welcome back! I hope everyone enjoyed the time away and you were able to make a few new memories together. We are hitting the ground running here and have many exciting opportunities coming up for you to participate with your child in.

Starting the week of January 8th every child in the building is going to have the opportunity to begin reading a book written by, Margaret Peterson Haddix. Ask your child what book they have selected and maybe read along with them. On January 22nd and 23rd, students will mix up and have book club conversations with other students in the school who have read the same book. This author study will all culminate on Wednesday, January 24th when Mrs. Peterson comes to visit Hayes Intermediate School. She will be giving a presentation to both grade levels, meeting with a small group of students, and we are excited to announce that she will also be doing an evening presentation for students and families that same night. More details on the evening event will be coming soon but mark your calendars now for this great evening.

In March we will be hosting students and teachers from Hong Kong as part of Invitational Education. We will have assemblies at school, evening events, and much more for students to participate in as we learn about and from each other. Our building and the Hayes PTA will be working together to coordinate the events for March 16th through the 26th. As information goes home we will need about 12 host families and other help with the events. Our first PTA of January will be on Tuesday, January 9th if you would like to hear more information.

Sincerely,

Mr. Nesler

Student Council was very busy in the months of November and December. In November we collected over 6,000 canned and non-perishable food items for the needy families in Grove City. In December, we collected approximately \$300.00 dollars to purchase 48 toys for the Toys for Tots Foundation. To add to the holiday spirit at Hayes, we sold over 900 candy grams that the students enjoyed on their last day before winter break.
